

No. 482/22

5th December 2022

TO: ALL POSTAL BRANCHES

Dear Colleague

FURTHER TALKS AT ACAS

We understand that Royal Mail published a letter today asking us to meet them urgently at ACAS to discuss the details of their “so called best and final offer”.

We have attached to this LTB a copy of the union’s response confirming once again that we have rejected their offer and that we are willing to meet them tomorrow at ACAS to negotiate a resolution to our disputes.

Please ensure the union’s response and the content of this LTB is shared in all workplaces.

Any enquiries on the above should be addressed to the General Secretary/Acting Deputy General Secretary at jdunn@cwu.org/hford@cwu.org.

Yours sincerely

Dave Ward
General Secretary

Andy Furey
Acting Deputy General Secretary (Postal)
