

No. 046/24

30th January 2024

TO : All Branches, Regional Secretaries and Regional Health & Safety Sub-Committees

Dear Colleague

SUBMISSION OF MOTIONS TO GENERAL CONFERENCE 2024

Further to LTB 307/23 issued on 27th November inviting Branches to submit motions to General Conference and 345/23 issued on 22nd December 2023 postponing General Conference, Branches and submitting bodies would wish to know that it has been agreed by the Standing Orders Committee that the closing dates for submission of motions to General Conference of 1st February 2024 no longer applies.

Once a new date and venue has been agreed by the NEC for General Conference details will be circulated regarding the closing date for submission of motions.

It has also been decided to move the closing date for the Rules Revision Conference proposals as advertised in LTB 308/23 from noon on Thursday 14th March 2024 to noon on Monday 18th March 2024. This will allow Branches and Regions the maximum time available to submit rule proposals.

Any enquiries regarding this LTB should be addressed to Angela Niven by telephoning 020 8971 7256 or by email to conferences@cwu.org

Yours sincerely,

A P Kearns
Senior Deputy General Secretary
