Dear Colleagues

ROYAL MAIL GROUP: PENSIONS TRAINING - CONFERENCE MOTION 11

We are pleased to report that all 10 training workshops have now been completed. All reports received confirm that the sessions have been hugely successful and well received by all concerned. Accordingly, we wish to thank Paul Kennedy Divisional Representative who delivered the training for all his endeavours in this regard.

We are aware that some Reps have been unable to attend their session. We are therefore planning to have a mop up session to provide a new and further opportunity to receive the training. The date and venue are as follows:

- **Monday 16th September – Venue: Birmingham District Amal, CWU, 47 Summer Lane, Hockley, Birmingham, B19 3TH**

This session is open to all who would have been eligible to attend the earlier sessions. Any travel or overnight expenses incurred will be the responsibility of the Branch.

It is obviously necessary to monitor attendance at this session so that we have a manageable number of attendees. Therefore if anyone wishes to attend, please advise Samantha Nicholas at snicholas@cwu.org providing your name, Branch & Representative role by next Wednesday 11th September. In the event we are oversubscribed with Reps wanting to attend, consideration will be given to arranging a further session.

Lastly, Royal Mail have been positive in supporting this crucial activity. In this regard Angela Gough, Director of Corporate Pensions and Emma Weston-Green, Head of RMCPP Executive and Scheme Secretary will also be presenting at the session primarily around the introduction of the new Collective Plan. This is a valuable contribution that is complementary to Paul Kennedy's activities.

Any queries in relation to this LTB should be directed to Samantha Nicholas at snicholas@cwu.org

Yours sincerely,

Andy Furey
Assistant Secretary
