**TO: ALL BRANCHES**

Dear Colleague,

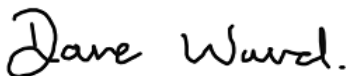

**Important: Anti-Racism Rally Saturday 1<sup>st</sup> February, Central London**

Branches should note that Stand Up to Racism has called an anti-racist/anti far right (TUC supported) Rally for Saturday 1<sup>st</sup> February 2025 in Central London. This is a counter demonstration to one being organised by supporters of Tommy Robinson.

We thank those who attended the last rally and call on Branches to demonstrate again a show of strength against racism and the politics of division. We know there is so much more that unites us than divides us.

Stand Up to Racism are organising coaches from all over the UK – 34 different coach points – and we would encourage anyone interested in attending to check the SUTR [website](#).

Yours sincerely,

Dave Ward
