## TO ALL BRANCHES

Dear Colleagues,

### CWU Reps Hi-Vis Vests - Join the Union

Following on from the success of our CWU reps' polo shirts, we are pleased to offer Branches the opportunity to purchase CWU reps hi-vis vests.

The vests, which can be seen in the attached images clearly identify our reps in the workplace and the design includes a QR code which will take perspective members directly to the join CWU page.

The vests cost £9 each and can be printed in a wide variation of sizes.

Branches wishing to order should email Marcia Murray [mmurray@cwu.org](mailto:mmurray@cwu.org) by no later than Friday 8th August with:

1. The number of vests you wish to order
2. The sizes you wish to order

Once we have the full UK wide numbers in place we will contact Branches to organise payment and delivery.

Increasing the unions visibility in every workplace is a key part of our new recruitment strategy and we encourage all Branches to place an order.

Kind regards

Head of Communications
