### **Online Voting**

To return their vote using the online electronic voting system, members will receive personalised correspondence which will enable them to cast their vote.

The online voting process uses a secure voting site administered by Civica (Independent scrutineers) specifically for this ballot.

The process for voting is based on a simple, easy to use format that is routinely used by other Unions and the Labour Party

However, in advance of the ballot we will share an example ballot paper and instructions for Branches and members on how to complete their vote.

Any enquiries in relation to the content of this LTB should be addressed to the SDGS Department ([iparrett@cwu.org](mailto:iparrett@cwu.org))

Yours sincerely,

Martin Walsh  
**Deputy General Secretary (Postal)**
