23rd September 2025

TO ALL BRANCHES

CWU Poppy Pin Badge - Orders by 1st October

We have produced a metal CWU / poppy pin badge this year. A copy of the design is attached.

We are pleased to be able to offer these to branches for bulk purchase at the price of £2 per pin. All profits made will go straight to the Royal British Legion.

To turn the deliveries around in time for the remembrance period we ask that Branches email Marcia Murray mmurray@cwu.org with the quantities you wish to order by no later than 12 noon on Wednesday 1st October.

The cost of any orders can be deducted from Branch rebates to make the process as simple as possible.

We believe many of our reps and members would want the change to wear the pin badge and therefore would encourage Branches to place an order with this in mind.

Yours sincerely,

Chris Webb
Head of Communications, Engagement and Media.
