TO ALL POSTAL BRANCHES

Dear Colleagues

NATIONAL BRIEFING - UPDATE ON NEGOTIATIONS WITH ROYAL MAIL GROUP/EP GROUP

An online National Briefing will be held on Monday 20th October from 11:00-13:00.

It is crucial we deliver a full and comprehensive update on:

- New Entrants' Terms and Conditions
- CWU / EP Agreement
- USO
- Quality of Service / OFCOM fine
- Compensation for CWU members and representatives targeted during and after 2022 dispute
- Membership engagement plan

We ask all senior representatives to treat this as a priority engagement and stand down all other planned work.

Following the national briefing we will be embarking on an extensive membership engagement exercise which will include workplace meetings, written updates, and a live broadcast.

The link for the national briefing will be shared privately with Branches before the end of the week.

Yours sincerely
