

No. 273/25

11th December 2025

To: **ALL POSTAL BRANCHES**

Dear Colleagues,

NATIONAL POSTAL WORKERS DAY - MONDAY 15TH DECEMBER

National Postal Workers Day is a time to celebrate the hard work all our postal members do throughout the year, but also to ask Royal Mail to keep their word when it comes to showing postal workers the respect we deserve.

The Union will be engaging MPs, the wider union movement and the public to ask for everyone to thank their posties, and to show their gratitude by standing with us as we face a very challenging situation with Royal Mail. We have secured significant media coverage for it as well.

We also need you to back this important day.

Therefore, we are asking all branches to do the following:

1. Print the attached posters and take photos of your members on site holding them on Monday. Please print in size A3 in colour.
2. Send your photos to Rory McCourt, our new Digital Communications Co-ordinator, on WhatsApp at 07711 940 520. Photos should be sent in by **midday Monday 15th December**.
3. Post your group photos to your social media channels (Facebook, X, LinkedIn) using the hashtag **#PostalWorkersDay**.

We will need every single CWU official, rep and postal branch to help to get #PostalWorkersDay trending on the day. Thank you for your ongoing support. If you have any questions, please contact the GS Department at dlynch@cwu.org.

Yours sincerely,

Dave Ward
General Secretary
