**TO: ALL BRANCHES**

Dear Colleagues,

**IMPORTANT: ANTI-RACISM RALLY- SATURDAY 28<sup>th</sup> MARCH, CENTRAL LONDON**

**Defeating the Narratives of Division Workshop, Birmingham, 19<sup>th</sup> March, 2026**

The purpose of this LTB is to advise branches that the **Anti-Racism Rally - Reject Narratives of Division and Racism** is taking place on **Saturday 28<sup>th</sup> March** in Central London.

The demonstration is being supported by the TUC and the CWU will be present on the day. The rally is also being supported by many other trade unions and community groups across the country.

Further information will follow regarding the CWU meeting point on the day. Anyone wishing to attend can also check the Together Alliance [website](#) for more details.

Branches will be aware that the CWU are strong supporters of the anti-racism movement. Therefore, in advance of this march in London we would like to provide a training opportunity for CWU representatives.

This one-day workshop 'Defeating the narratives of Division' will be facilitated by the Ella Baker School of Organising and will focus on the following topics:

**What is the problem?** A quick-fire group-based session on 'what are the narrative of division issues in your workplace' followed by 'what are the solutions?'

**Class alternatives to narratives of division** A review of the economic and political choices that have led us to a point where too many of OUR people are looking to the right for solutions.

**'Story of Us'** Exploring what it means to feel like you are in a unionised workplace, how we actively create that sense of class solidarity, and its role in helping us win at work.

**Workshop details:**

**Time:** 09:30 - 15:30

**Date:** 19<sup>th</sup> March 2026

**Location:** 47 Summer Lane, Birmingham, B19 3TH

If you wish to attend the training, please contact your branch, applications should be made via the Portal by the 24<sup>th</sup> February.

It is time for the trade union movement to stand together against racism and division and call for the real solutions to the problems facing working people - fixing wealth inequality, rebuilding our public services and building workplace power in every sector.

**We encourage reps to attend this training and the rally on the 28th of March.**
