

No. 66/26

5th March 2026

TO: ALL ROYAL MAIL PROCESSING ENGINEERS

Dear Colleagues,

Royal Mail Processing Engineering Territorial Representative Ballot Extension

- Northern Region

Further to LTB 044/26 dated 12th February 2026, branches should note we have been made aware that a number of New Entry Engineering members were not included within the data files for the above ballot.

In order that these members are given an entitlement to vote in the ballot, it has been arranged with the independent scrutineer for ballot papers to be sent to these members from Monday 9th March 2026.

On advice received from the Independent Scrutineer it has therefore been necessary to extend the closing date of this ballot by 1 week.

Consequently, the ballot will now close on 19th March 2026 (1st post)

Any enquiries regarding this letter to Branches should be addressed by email to lparrett@cwu.org.

Yours sincerely,

Martin Walsh
Deputy General Secretary (P)
