TO: ALL BRANCH SECRETARIES

Dear Colleague,

CWU CONFERENCE 2026 – ONLINE REGISTRATION

Online registration is now available for Branch Secretaries to register their delegates attending the conference that is taking place at the Bournemouth International Centre (BIC), Exeter Road, Bournemouth.

The programme of business is as follows:

General Conference	-	Sunday 10th – Monday 11th May
Postal Industrial Conference	-	Tuesday 12th – Thursday 14th May
Telecoms and Financial Services Conference	-	Tuesday 12th – Thursday 14th May

Due to the introduction of Martyn's Law, the venue is required to follow enhanced security procedures. This means security personnel will need to be stationed at the venue doors throughout the duration of our conference.

All delegates and observers will need to have a form of ID when entering the building to prevent any issues. We therefore ask that everyone from your branch that is attending is registered using the links below for Delegates and Observers.

Branches are also reminded that delegates/observers should also carry with them their CWU membership card. If you are not in possession of your card arrangements can be made to get one to you prior to conference if you email membership@cwu.org and title the email **"Replacement membership card for Conference"** This has to be done before 17th April 2026 to enable the cards to be produced and sent out.

Please note that all Field Officials will be registered by Headquarters.
