Further to LTB 087/26 dated 25th March 2026.

Branches and Representatives are reminded that our members in the Royal Mail Defined Contribution Plan (RMDCP) have now received a communication from the Trustee advising that the scheme is winding up with all savings/assets invested moving to the Legal & General Mastertrust from July 2026.

All reports received indicate that the first Webinar on this matter which took place on 14th April was well received and informative. Therefore, Representatives are encouraged, where possible, to join the next session on **Thursday 23rd April at 14:00-15:00**. You can register for this event via the following link:
