

No. 129/26

30th April 2026

Dear Colleague,

ROYAL MAIL: EX "SAFENET" MEMBERS – CONFIRMATION OF PAY INCREASE FROM 1ST APRIL 2026

Branches may recall that we have a number of members (c.130) who were redeployed from Post Office "Safenet" duties back into the Royal Mail operation under MTSF in 2009.

Following our representations, Royal Mail management have now formally confirmed that these ex-Post Office members have either received or will shortly receive the Post Office pay increase of 3.24% as per year one of the two year pay agreement (for the comparable Post Office Crew grade) from 1st April 2026. Refer to LTB 094/26 dated 30th March for full details of the Post Office Pay Agreement.

I would be grateful if Branches could bring this positive development to the attention of our ex-Post Office members working in Royal Mail.

If you have any queries in relation to this LTB, please contact Samantha Nicholas at snicholas@cwu.org or Heidi Maughan at hmaughan@cwu.org

Yours sincerely,

Andy Furey
Assistant Secretary
