LETTER TO BRANCHES

The Communications Union @CWUNews #TheCWU CWU.ORG

No. 316/26

16th November 2026

To: All Branches

Dear Colleagues,

THE CASE FOR REUNIFICATION OF ROYAL MAIL AND THE POST OFFICE

All branches will be aware CWU is calling for Government intervention to set a new direction on the future of Royal Mail. As part of this campaign, the union is also pressing for reunification of Royal Mail and Post Office Ltd.

In this regard, we have attached an important and comprehensive paper that sets out the social and economic benefits for UK Postal Services and the country of bringing the two companies back together.

The paper has been shared with the government and also highlights international comparisons that demonstrate the benefits of utilising the natural synergies that exist between these services. We would ask that branches share this paper with their representatives and utilise the content in any discussions you have with your local MP's. Further information on the campaign will be sent out in due course.

Any queries regarding this LTB should be sent to the General Secretary's office to Dawn Lynch on dlynch@cwu.org

Yours sincerely,

Dave Ward
